Statement of CPNI Procedures and Compliance

Statement of CPNI Procedures and Compliance

Greenfield Communications, Inc. ("Greenfield") does not use or permit access to CPNI to market any telecommunications or non-telecommunications services. Should Greenfield elect to use CPNI in future marketing efforts, it will follow the applicable rules set forth in 47 CFR Subpart U, including, if necessary, the institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI is used or disclosed.

Greenfield has instituted training procedures to ensure that its personnel understand and comply with restrictions regarding the use and disclosure of, and access to CPNI. According to required procedure, a customer must verify they are the customer of record by providing his/her mother's maiden name prior to the Company's providing any information on the account.

Although this has not occurred to date, any requests for CPNI by law enforcement agencies would only be granted if a subpoena is provided or if the applicable customer provides written permission.

If ever requested and provided, Greenfield will maintain a record of all instances where CPNI is disclosed or provided to third parties, or where third parties were allowed access to CPNI.
